## Membership Meeting Minutes – April 13, 2006

The meeting was called to order at 2:12 p.m. by the President, Skip Palermo and was opened with the reciting of the Pledge of Allegiance. Over 79 members were in attendance.

Minutes of the previous meeting were approved as read.

The Treasurer's Report was then given and is to be filed.

### Old Business

The President reported that the Craft Show and the Garage Sales were both huge successes and that the Mail Boxes are back from the Powder Coaters and are selling well. A round of applause was given the club members who made 103 mailboxes in just one and a half hours.

It was reported that tools are often taken accidentally so members were asked to please return them.

The President also reported the newsletter, created by Bill Huff is now being emailed to members as well as being available in the shop.

### New Business

Two hand outs were given. The first one was an Equipment Survey & Equipment Evaluation Report and the second was a layout of proposed Patio Changes. The President requested that the first handout be viewed as study that will serve as the game plan for the future. He also asked that both handouts be studied immediately and that written recommendations be given to the Board before their May meeting. The immediacy is because a proposal to purchase a new lathe will be presented at the next Membership Meeting for members to vote on.

Chuck Albright gave the monthly two minute presentation and the subject was Safety Tips.

Before the meeting was adjourned at 2:35 p.m. the two \$25 drawings were won by Russ Frey and Terry Phillips.
