## **Membership Meeting Minutes – October 15, 2009**

Vice President Terry Phillips called the meeting to order at 10:30 am. There were 62 members present which represented a quorum based on the paid membership as of today. Terry led the members in the pledge of allegiance to the flag.

The minutes of the September 17, 2009 meeting have been posted in the club since that meeting. Reading the minutes was waived with a motion by Mike Bell which was seconded by Darlene Phillips. The general membership approved this motion.

Don Mellum gave a treasurers report.

The Presidents report included the following:

1. Membership approval to spend \$1600.00 for curtains in the welding area. This item was approved by a unanimous membership vote.
2. The new door locking system was explained to the membership which indicated the use of a card or key to enter the building. This allows monitors to open in the morning and also allows emergency people access to the building via a fire department lock box.
3. Monitor certification classes are being conducted on an on-going basis. Monitors are required to be certified to perform this duty.

The monthly attendance drawing went to Leo Beckman and Mike Stewart, each received \$25.

The meeting was adjourned at 10:40am.

Respectfully submitted,  
Bob West, Assistant Secretary
